Hella Antares 9in Driving Light Kit

Stand out from the crowd with HELLA's radiant Antares 9" Driving Light Kit.

HELLA Antares were created in collaboration with the largest automotive brands, and incorporate decades of experience in Australia's harshest driving conditions, creating a composite beam that delivers incredibly constant and impressive output. These driving lights are engineered to illuminate the darkest roads, ensuring your journey is safe and spectacular.

Co-designed in Australia for Australian and New Zealand roads, the Antares is sure to meet all your needs and more.

- Rugged Diecast Aluminium Housing & Bracket
- Selectable Modes: High Output / Low Output / Daytime Running Light / Position Light
- Automatic DRL cover detection switches off main beam
- High Output Beam exceeds 800m
- Impressive Low Output beam exceeds 650m
- Plug & Play Wiring Harness

Kit Includes:

- (2x) Antares spotlight with mounting hardware
- (2x) Antares spotlight caps
- (2x) adaptor (H4 & HB3)
- (1x) mounting instructions
- (1x) wiring harness
